

**Advice on SUNSORIT Skin Peel Bar for effective and safe use**

1. You might feel a slight tingle during use but this is a sign that the dead skin cells that have collected are peeling off and is completely safe.
2. Refrain from leaving soap foam on skin for too long until your skin gets used to our products.  
( Adjust length of time to leave foam on your face )
3. Dryness and stretching effect will decrease after continuous use.
4. Moisturize fully after every use to maintain healthy and smooth skin.

There are individual skin difference.
